About Dr. Eghtesadi

Dr. Ali Eghtesadi is an Endodontist specializing in root canals and endodontic microsurgery. He attended the University of Maryland, Baltimore County (UMBC) as an undergraduate student earning a B.S. in Biology with honors. He then went on to attend the University of Maryland Dental School on a full academic scholarship, which he earned for being in the top 5% of the entering dental class. After graduation from dental school, Dr. Eghtesadi was accepted to a fellowship at the prestigious Harvard University School of Dental Medicine. After the completion of his general residency, Dr. Eghtesadi went on to pursue a specialty in Endodontics at Lutheran Medical Center in Brooklyn, New York.
